kids - it's what we're all about

Dear Parents,

Throughout the year as families we often reflect upon the many teachers in the Hackettstown Public Schools who have had a positive influence on our children. Someone who will live in our child's hearts and mind long after they leave the school to go off in pursuit of their own dreams in life. In 1995 we introduced a way for parents to recognize a special teacher with a gift through our Teacher Tribute program. A gift that is returned to your child's school in the form of one of the many Mini or Maxi Grants we fund each year. To date, through the active participation of our parents, the Foundation has been able to award over \$ 150,000 for creative classroom projects that otherwise would not have taken place.

We appreciate that we live in very uncertain financial times, but it is important to note that our teachers are genuinely touched by this form of recognition. By acknowledging them in this manner you are not only sending a very special "thank you," you are helping them assist in our child's education with valuable tools that may otherwise be unavailable. The teacher you honor will be notified directly by the Foundation. Please know that the size of your gift is kept confidential and any amount is greatly appreciated.

We appreciate your generosity and participation. Thank you!

Sincerely,
Steve Fredericks

Stephen L. Fredericks, Chair

2009/2010 Teacher Tribute Program

In Honor of _____ At _____ (school)
 From _____ (address) _____
 Parents of _____ Amount Enclosed: \$5 ___ \$10 ___ \$15 ___ \$ 25 ___
 Other _____
 Corporate Matching by _____ (address) _____
 Amount \$ _____
