February 15, 2018

Dear Willow Grove and Hatchery Hill School Parents & Guardians:

This past Monday, February 12, 2018, several community members of the Willow Grove and Hatchery Hill Schools positively expressed a pressing transportation need for their children. As such, earlier today, both my office and local law enforcement officials partnered together along with community members and held an open forum at the municipal building. The discussion centered on how we ensure our students, your children, arrive at school in the safest, healthiest and most secure manner. That said, the district recognizes this demonstrated demand and has heard the need of our community.

Please join us at next Wednesday's public Board of Education meeting, where we will further explore and discuss the option of "subscription transportation services" for all of our elementary school students. In short, subscription transportation services are busing services offered by the district at a fee to families who wish to utilize the service.

Going forward, our building principals, Mr. McQueeney and Mrs. Griffin, will have a registration form located in each building's main office for those families who have interest in possibly obtaining this service. If interested, we ask that you register in a timely fashion so the Board of Education will be able to make an informed and economically sound decision as soon as possible.

As always, I thank you in advance for your cooperation and partnering with us in finding an acceptable solution to a pressing issue within our community walls.

Enjoy the upcoming holiday weekend.

Sincerely,  
David C. Mango  
Superintendent of Schools
