Ms. Brianna McConnell

Mr. Ron Broking

Mr. Matt DeMartini

If you have any questions, please email Kerry at kmunson@hackettstown.org or call her at 908-852-8550 X226. Email will usually get you a quicker response.

Choose Your Adventure!

Marine Science Mania (PreK – 5th grade)

Dive deep into the oceanic environment by investigating bioluminescent creatures, testing water density and tasting seaweed. Come face to face with live fish and try your hand at fish painting. We'll have a whale of a time!
(Minimum # of students – 21)

STEM Works (5th and 6th grade)

Join us for 3 days of fun which will include creating a safe, “crash” proof car for your passenger Eggbert, designing new vehicles using We Do Legos and using code to program Dash and Dot robots. In addition, experiment with the snap circuits called LittleBits to make a prank handshake or light-controlled 3 wheeler. (Minimum # of students – 6)

Summer Sports and Fitness (1st – 5th grade)

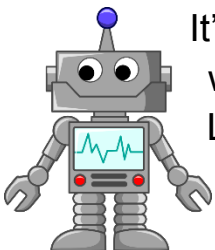

Get ready to get moving! The camp will incorporate fitness, flexibility and sport themed games. Students must wear sneakers and comfortable clothing. Hope to see you on the field this summer!
(Minimum # of students – 6)

Science Rocks! (PreK – 5th grade)

Bring science to life with EGG-citing experiments! Make your own lab coat to wear when we whip up some ooey, gooey chemical concoctions. Get energized as we explore physical science with boomerangs, helicopters and catapults. Investigate life as a ladybug. You don't want to miss this week of scientific discovery! (Minimum # of students – 21)

RoboKids (PreK – 5th grade)

It's mind over machine as we learn to make technology work for you. We will code a variety of robots, including Dash, Dot, Colby the Mouse and LEGO robotics. Build robots that react to light, heat and air. Experiment with energy sources such as solar, air and battery powered devices.
(Minimum # of students – 18)

If you have any questions, please email Kerry at kmunson@hackettstown.org or call her at 908-852-8550 X226. Email will usually get you a quicker response.

Registration Submission Guidelines

Please return paperwork by June 15th. If the minimum number of students necessary to run a program is not reached by this date, you will be notified and given the opportunity to switch to another session or receive a refund. We will gladly accept late registrations, however please check with us first to insure that your session of choice will be running.

Payment may either be cash or a check made out to Hackettstown Elementary PTA with your phone number on the front.

Registration forms and payment may be submitted two ways. They can be dropped off at Willow Grove School (care of Mrs. Watters) or at Hatchery Hill School (care of Miss Munson). They may also be mailed to the following address -

Summer Enrichment 2018 c/o Kerry Munson
