

Dear Parents,

In light of recent events, the Hackettstown & Great Meadows Regional School Districts would like to provide you with information and an opportunity to be involved with our school safety and security. As a school district we remain committed to maintaining a safe and nurturing environment for our students. We continue to perform our mandatory monthly fire and security drills and review our procedures and policies to continue to improve our efforts.

Should you have any questions regarding our efforts, please don't hesitate to contact me at 908-852-8150 ext. 238 or by email at sspeirs@hackettstown.org. In an effort to solidify our district and building security and safety procedures, I have organized a parent advisory group to discuss the safety of our schools. Should you be interested in attending one of these meetings, please contact me for additional information. Thank you for your continued support in these efforts!

Sincerely,

Stephen B. Speirs, Jr.
Director of Security
Hackettstown & Great Meadows Regional School Districts
