February 2017

Dear Parents/Guardians:

Hatchery Hill will be providing an **orientation** program for children who will be attending kindergarten in September 2017. In order to attend kindergarten for the 2017-2018 school year, your child must turn 5 on or before October 1, 2017. This program for families residing in the Hatchery Hill sending area, will be held Friday, May 19, 2017 1:30-2:30pm.

It is our hope that children who participate in the program will become familiar with the school and as a result be more comfortable entering kindergarten.

In order to assist in future planning, information is requested regarding preschool age children residing in the **Hackettstown School District**. Please complete and return the form on back, so you are included in future mailings detailing the upcoming orientation session. ***Parents are invited to the orientation on May 19th to learn more about the District's educational programs.***

During the orientation session, the children will be given snacks. If your child has a food allergy, please be sure to let the teacher and school nurse know by indicating so on the back.

Your cooperation is greatly appreciated, and we look forward to working with you as your child makes this exciting transition to kindergarten.

Sincerely,

Marie Griffin, Principal

Dear Parents:

The following information is to assist you in the registration process for kindergarten at Hatchery Hill School.

A child who is being registered must be 5 years old on or before October 1, 2017.

The following documentation must be presented when registering:

1. A valid birth certificate
2. Proof of immunizations
3. 3 items proving residency. These items may be copies of license, registration, lease or deed or any bill with your name and address on it

Registration packets will be available at the school's Main Office. In the registration packet are the following forms which must be completed by a parent or legal guardian.

1. Registration form
2. Media Permission form
3. Internet Permission form
4. Emergency Contact Form
5. Medical Examination form
6. Dental Examination form
7. Health history form
8. Bee sting form
9. Home Language Survey
10. Proof of Residency Certification

If all of the registration forms are complete, and you have had the physical and dental examinations completed by your own doctor and dentist, then you may return the registration forms to school by April 30th for the May 19th orientation. If you are unable to get an appointment with your doctor and/or dentist before the May orientation, you may return all other forms and hold on to the dental and medical examination form. Once they are filled out, you may return them to school. Please note that all examinations must take place and completed examination forms must be returned before your child can start school in September. If you do not have health insurance, you may make an appointment with the school doctor, Dr. Dick, at 908-850-7800.

Sincerely,

Marie Griffin, Principal
