*Hackettstown Public Schools and the Great Meadows Regional District are pleased to offer an array of programs and services for students with special needs ages three to twenty-one.*

*As public school districts serving students with ever-growing diverse needs and challenges, we strive to build programs that breed success.*

*Our District staff are committed to providing specialized academic and behavioral supports and services to students with exceptional needs while maintaining inclusion with typically developing peers.*

*We are excited to make those programs available to students in neighboring districts.*
